4 DATA SECURITY

It is also important to note that in some situations, it is important to be aware of the use of technology in that for some people, there is a risk in using certain media such as the internet, mobile phones or cordless phones. If you use these to communicate with me, then I will assume that it is appropriate to continue to do so in my interactions with you.

5 RELEASE OF LIABILITY

CMD is a service that provides personal mentoring to specific individuals and/or groups. The mentee is aware that mentoring is in no way to be construed or substituted as psychological counselling or any other type of therapy or medical advice. I will at all times exercise my best professional efforts, skills and care of ensuring my mentee is mentored to meet their goals. The mentee understands and acknowledges the mentor will not be liable legally or otherwise, for the actions the mentee may or may not undertake as a result of the mentoring sessions. No assumption of responsibility is made, or given, and the mentee requesting such advice agrees not to hold Rest and Remain responsible or liable in any form or fashion, for such actions taken by their own accord. The method and process by which this advice and direction are given in no manner whatsoever, written or verbal, constitutes an agreement or liability on the part of the provider and is acknowledged to be different in many ways than clinical and medical counselling.

You agree that using any of this mentoring service is entirely at your own risk. CMD services are provided "as is", without warranty of any kind, either expressed or implied, including without limitation any warranty for information services, mentoring, uninterrupted access, or products and services provided through or in connection with the service. This service is requested at the mentee's own choice and with inherent singular responsibility. Any actions or lack of actions, taken by the mentee of such advice is done so solely by choice and responsibility of the mentee and is neither the responsibility nor liability of Rest and Remain.

You also take full responsibility in the decisions you make after being mentored as well as the consequences. You enter into mentoring with full understanding that you are responsible for your own results. Periodically I, Krista Kalinowski, may provide links to other websites, written print material, and podcasts which may be of value, interest and convenience to you. This does not constitute endorsement of material at those sites or any associated organization product of service. Discipleship AGREEMENT

6 MY RESPONSIBILITY

My role is to work with you as you choose to work with me. I am a follower of Jesus Christ, seeking the Lord's guidance in order to help you in whatever ways He leads and trusting His direction in the process. Through our spiritual working relationship, I will engage in direct and personal conversations with you in order to guide you to a better understanding of yourself in light of the cross.

Any recommendations or suggestions I give, are based on Christian Biblical principles and perspective. The source of all my information comes from Scripture, as well as other non-traditional health and wellness resources. Please know that I respect that we will not meet eye to eye on everything and that we may have differing values / beliefs but that will not change how I interact with you or my desire to walk with you through your hardships.

7 YOUR RESPONSIBILITY

Your role is to work with me as you choose, accepting the responsibility to enact or implement the changes that you desire. You understand that successful discipling requires a joint effort between you and I, and as your Mentor I will be actively coming before the Lord and seeking direction from the Holy Spirit (and I pray that you will do the same). If at any time you believe the mentoring is not working the way you want, please communicate this with me so that I can restructure the mentoring strategy to address what works best for you and aim toward your desired outcome.

You agree to disclose details of the past or present psychological or psychiatric treatment. Discipling/Mentoring and counselling are not the same. Likewise, therapy and other modes of professional or medical psychological examination shall not be considered equivalent to discipling/mentoring. I am not a registered psychologist or psychiatrist, nor a licensed therapist. I do not engage in therapy with my clients. In entering into the discipleship relationship, and signing this agreement, you are agreeing that if any other mental health difficulties arise outside of the scope of what we are addressing during the course of the discipling relationship, you will notify me immediately so that I can discuss with you an appropriate referral.

Please know that I am always here to talk with more, if you have any questions, concerns or need to gain a better understanding of what CMD is and how to get the most out of it.

10 DISCLAIMER

A. I will not advocate for therapies outside of Scripture. I believe our healing and restoration are found within the Words of God and through the hands of God.

B. I am guiding you in the right direction by asking you questions, and providing you with other materials and resources, but I will also be real with you. I truly don't believe we can help one another if we aren't honest with one another; which means I will open up to you too and express how God has moved in my life. We are the body of Christ, we are sisters and we don't walk alone.

C. I keep my costs low because I don't believe this type of service should be out of reach for people. I know what it's like to live on a budget, but still need help without being able to afford it.

Your signature on this agreement indicates that you waive all rights to sue or file a charge against me, Krista Kalinowski through Rest and Remain AND that you have a full understanding of the agreement with the information outlined above.
